

# Croydon Shire Council

## Position Description

<b>Position Title</b>	Diesel Mechanic / Diesel Fitter
<b>Department</b>	Works
<b>Award</b>	Queensland Local Government Industry (Stream C) Award – State 2017
<b>Award Classification</b>	Division 2, Section 2 – Minimum classification - C10 - \$1,444 per week to \$1,596 per week, depending on skills, experience and qualifications, plus relevant allowances.
<b>Position Type</b>	Full Time - 38 hrs per week
<b>Reports To</b>	Workshop Supervisor

### Position Objective

To provide an effective and efficient mechanical service to ensure all Council fixed and mobile plant, equipment and vehicle fleet is maintained in a safe, cost effective and operational manner.

To provide leadership and mentoring to plant operator/s, trainees and apprentices.

### Duties and Responsibilities

1. Carry out maintenance and servicing work on Council's fixed and mobile plant and equipment, workshop equipment.
2. Carry out mechanical assembly, welding, electrical testing, air-conditioning, hydraulics, diagnostics and servicing in the workshop and in the field.
3. Carry out fault diagnosis and rectifications to mechanical equipment and systems associated with Council operations.
4. Assist in the requisition of parts, materials and equipment required for maintenance and repair operations.
5. Consult the Workshop Supervisor regarding the development or modification of plant and/or the purchase of new or replacement plant.
6. Ensure job fuel and lubricant issues are correctly and accurately recorded and maintained to certify issues.
7. Keep a diary, timesheets and other records as required for costing and maintenance purposes.
8. Maintain accurate and complete records of repairs / maintenance / component hours.
9. Prepare reports when requested.
10. Maintain the mechanical depot site in a clean and tidy manner.
11. Report security issues, lost or stolen items.
12. Exercise sound judgement, initiative, confidentiality and sensitivity in the performance of work.

13. Work efficiently and effectively in a team environment.
14. Attend meetings and participate in training programs as required.
15. Undertake other duties as directed, consistent with skills, competence and training which contribute to the effectiveness of Council's operations including, but not limited to, labouring and operation of plant which you are licensed for.
16. Contribute to the efficient and productive operation of Croydon Shire Council and maintain and foster a team spirit among those in the working environment.
17. Actively seek opportunities to implement change that will contribute to improve efficiency and operations of Council.
18. Comply with Council's Code of Conduct.
19. Compliance with Work Health and Safety Legislation including Council's Work Health and Safety Management System, SafePlan and Council policies, procedures and work instructions. Perform all work and associated functions in a safe manner and identify and report any concerns, near misses, incidents/accidents to your Supervisor and WHS Advisor.
20. Refer matters that may impact on the business, Council and employees to the Workshop Supervisor.

### **General**

- Subject to prior approval by management, all employees should start no later than the assigned time and preferably arrive at least five (5) minutes prior for the purpose of setting up their work area.
- All employees should notify their immediate supervisor within 30 minutes of their start time in the event of an unplanned absence.
- Tasks allocated to this position shall be performed to a high standard, in accordance with procedural guidelines and timeframes, and with efficient and effective utilisation of resources.
- Establish and maintain effective professional relationships with Managers, Supervisors, Employees and Contractors.
- Maintain a positive team culture based on honest, trust and integrity.
- The employee shall show a spirit of cooperation towards their supervisor/s, other employees and the achievement of Council's aims and objectives.
- It is a requirement that all Council employees maintain a current manual "C" class driver's licence at all times where driving forms part of regular work activities.
- Foster and maintain strong public relations with Council's ratepayers, customers and other bodies directly or indirectly associated with Council.
- Provide consistent and excellent customer service to all stakeholders.

### **Qualifications / Skills / Experience**

1. Trade Certificate
2. Three years minimum trade experience.
3. Current Queensland 'HR' class drivers' licence, preferred but not essential.
4. General Construction Industry Induction (White card).
5. Ability to organise and complete mechanical repairs.
6. Effective communication skills.
7. Knowledge of clerical procedures and parts sourcing.
8. Maintenance and operation of a safe workplace.

9. Current licence to operate a Forklift, preferred but not essential.
10. Certificates of competency for other plant and machinery would be desirable.
11. Sound literacy and numeracy skills.
12. Competent computer skills.

## Key Performance Indicators (KPI's)

1. Service and maintenance functions carried out in a timely and efficient manner.
2. Allocated tasks and responsibilities are completed consistently within agreed timeframes in a professional and efficient manner.
3. Ability to adapt to changing work environments and/or conditions while maintaining a positive attitude and a commitment to continuous improvement.
4. Support development and learning of Apprentices
5. Compliance with Croydon Shire Council's Work Health and Safety Management System, including policies, procedures, standards and work instruction.
6. Compliance with Croydon Shire Council's Code of Conduct.
7. Contribution to the efficient and productive operation of the Local Government Organisation.

## Selection Criteria

1. Trade certificate or higher qualification in the mechanical engineering trade with three years minimum trade experience.
2. Experience in both diesel and petrol engines.
3. Experience in all aspects of diesel fitting including servicing and maintenance in a workshop and in the field, welding, air conditioning, hydraulic systems.
4. Ability to work in a team environment and support other employees and work areas.
5. Sound level of interpersonal and communication skills, numeracy and literacy.
6. High level of personal initiative, be self-motivated and have good time management, planning and organisational skills.
