

POSITION VACANT

Water and Town Infrastructure Supervisor

Located approximately 550km south-west of Cairns and just south of the base of the Gulf of Carpentaria, in the heart of the Gulf Savannah country, lies the quaint and beautiful town of Croydon. Rich in history, boasting beautiful heritage buildings, the iconic Gullflander train, stunning sunsets and numerous trails for birdwatching, bushwalking, mountain biking and trail running. Croydon offers a unique Outback experience while providing all the necessary services, including a supermarket, healthcare centre, schooling, and recreational facilities.

Croydon Shire Council is seeking applications from highly motivated, enthusiastic and team orientated persons to provide effective services in the treatment of water by efficient operation and maintenance of the Croydon Water Treatment Plant including pumping station and associated infrastructure. The position will also provide direction and hands on leadership to the town maintenance team including prioritising works, adhering to budgets including labour and material costs, completing required reports, participate in an on-call roster and assist with airport functions.

Key responsibilities include:

- Provide direction and hands-on leadership to trades staff, gardeners, labourers and other staff associated with town maintenance.
- Assist with maintaining Croydon Shire Council's Buildings and Town Infrastructure, including open spaces, whilst keeping in line with the heritage and historic values of the shire.
- Ensure the water supply scheme operates efficiently and effectively, providing bacterially safe water and a reliable supply from the water supply system.
- Participate in water reporting requirements including KPI's.
- Exercise trade and non-trade skills, using various materials and specialised techniques, relevant to the specific requirements of Council.
- Responsible for planning the weekly work program with staff, taking into account duties in accordance with annual maintenance schedule.
- Monitor contractor works and performance of council assets within the township.
